This story tells of a prince who wants to marry a princess. However, he always encounters difficulties in finding a wife suitable to him: there is always an issue with those he meets or that they have poor manners. Can he finally meet the princess in his dream?

Fairy tales are interesting stories to young children which can spark their imagination, and at the same time help children understand the world around them.

The Musicians of Bremen is in the Usborne First Reading series, written especially for children who are learning to read, and developed in consultation with Alison Kelly, Principal Lecturer in Education and reading specialist at the University of Roehampton.

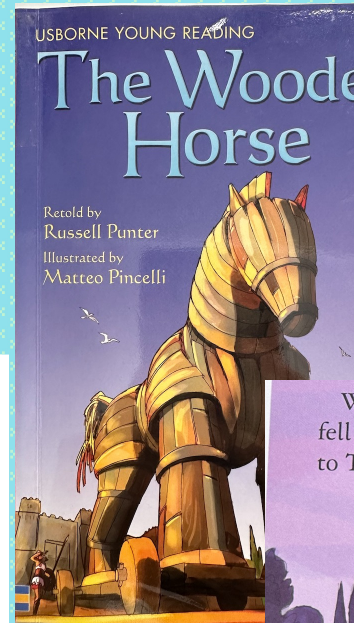

This story is about the journey of an old donkey, a dog and a cat finding their new home after scaring off some robbers. Let the adventure begin!

All the kings of Greece agreed to help bring Helen home.

Only Odysseus, king of Ithaca, didn't want to be away fighting. But the others persuaded him.
